# 2020-21 GENERAL FUND REVENUE ESTIMATE COMPARISON: BASE REVENUE ESTIMATES SUBSTANTIALLY LOWER POST-PANDEMIC

# 2020-21 FINAL ENACTED BUDGET

- 2019-20 ended with a \$2.7B deficit
- \$33.1B in 2020-21 state General Fund spend
- Appropriates \$1.3B in remaining federal CARES Act funding for commonwealth public safety and health care costs incurred due to COVID-19 pandemic
- Includes \$2.1B in federal enhanced FMAP
- Level-funds education at all levels and preserves funding for core state government functions and services

### **ECONOMIC OUTLOOK**

After GDP decline in 2020, both U.S. and PA economic growth rebounds slightly in 2021

- Outlook supported by low interest rates and short-term fiscal policy
- PA unemployment rate declines, but remains above U.S. rate
- Real GDP (U.S. and PA) does not return to pre-pandemic levels until 2022
- Estimates assume no additional federal stimulus, dragging down growth

2020	2021	2022

#### 2021-22 BUDGET CONCERNS

- Uncertainty of COVID-19 impacts on state revenue
- Unknown potential additional federal stimulus funding
- Increased costs related to serving seniors and those with disabilities
- Replacement of one-time funding sources
- Motor License Fund cap on State Police spending

#### 2021-22 BUDGET PRIORITIES

- Continue to respond to evolving impacts of COVID-19 on public health and the economy
- Work with federal partners on additional stimulus funding for state & local governments, small businesses, education, MA programs, transportation and childcare
- Increase funding across all levels of education
- Maintain investment in economic and workforce development to grow family-sustaining employment
- Create a fairer, more competitive business tax climate and over all more progressive tax system
- Protect vulnerable individuals and families
